14. (Previously Cancelled)
15. (Previously Cancelled)
16. (New) A method for selling one or more tickets previously purchased by a seller, said one or more tickets being associated with an entity, said method comprising the steps of:
  - making said one or more tickets available to one or more potential purchasers;
  - said step of making available including displaying a selling price for each of said one or more tickets;
  - accepting an offer to purchase said one or more tickets from said one or more purchasers;
  - charging a first transaction fee to a credit card of said purchaser associated with said accepted offer, wherein said first transaction fee is paid to the seller;
  - charging a second transaction fee to the credit card of said purchaser associated with said accepted offer, wherein said second transaction fee is paid to the entity.
17. (New) The method as claimed in claim 16, further including the step making the purchased ticket available at a location associated with the entity for pickup by the purchaser associated with said accepted offer.
18. (New) The method as claimed in claim 16, further including the step of charging a courier pickup fee, said courier pickup fee being associated with the pickup and delivery of the purchased ticket to the location associated with the entity.
19. (New) The method as claimed in claim 18, wherein said courier pickup fee is charged to the seller.
20. (New) The method as claimed in claim 19, wherein said location comprises a ticket office located at a venue for the entity.

- 5 -

21. (New) The method as claimed in claim 20, further including the step of validating the delivered ticket, and if valid contacting the purchaser for pickup.
22. (New) The method as claimed in claim 21, wherein said ticket office comprises a will call window to facilitate pickup of the ticket by the purchaser.
23. (New) The method as claimed in claim 16, wherein said one or more tickets comprise seasons tickets and said seller comprises a season tickets holder.
24. (New) The method as claimed in claim 23, wherein said second transaction fee comprises revenue sharing with said entity, and wherein said entity comprises one of a professional sports team, an orchestra, an opera company, a ballet company or a theatre company.
25. (New) The method as claimed in claim 16, further including the step of a potential purchaser providing an offer to buy a desired number of tickets and a price zone for said desired number of tickets.
26. (New) The method as claimed in claim 25, further including the step of a seller responding to the offer of said potential purchaser.
27. (New) The method as claimed in claim 16, wherein said method is operated in conjunction with a website associated with the entity or its brand.
28. (New) A method for selling one or more tickets previously purchased by a seller, said one or more tickets being associated with an entity, said method comprising the steps of:
  - making said one or more tickets available to one or more potential purchasers;
  - said step of making available including displaying a selling price for each of said one or more tickets;
  - accepting an offer to purchase said one or more tickets from said one or more purchasers;

- 6 -

charging a transaction fee to a credit card of said purchaser associated with said accepted offer, wherein said transaction fee is paid to the seller;

arranging for delivery of said one or more tickets from the seller;

validating said one or more tickets, and if valid contacting the purchaser for pickup; and

making the purchased ticket available at a location associated with the entity for pickup by the purchaser.

29. (New) The method as claimed in claim 28, further including the step of charging a second transaction fee to the credit card of said purchaser associated with said accepted offer, wherein said second transaction fee is paid to the entity.

30. (New) The method as claimed in claim 28, further including the step of charging a courier pickup fee, said courier pickup fee being associated with the delivery of the purchased ticket to the location associated with the entity.

31. (New) The method as claimed in claim 30, wherein said courier pickup fee is charged to the seller.

32. (New) The method as claimed in claim 31, wherein said location comprises a ticket office located at a venue for the entity.

33. (New) A method for selling one or more tickets previously purchased by a seller, said one or more tickets being associated with an entity, said method comprising the steps of:

making said one or more tickets available to one or more potential purchasers;

allowing the seller to set a selling price for said one or more tickets;

determining if said selling price set by the seller is in conformance with one or more legal requirements;

if said selling price is in legal conformance said step of making available includes displaying the selling price for said one or more tickets; and

accepting an offer to purchase said one or more tickets from said one or more purchasers.
